

## Tentative Madill High School Sports Records

\*\*These records are unofficial. This is a continuing effort to discover records, both individual and team marks, throughout MHS sports history. This is intended to become a comprehensive database for Madill High School sports records.

\*\*There are some records that are still being researched and will continue to be researched.

\*\*Not all records have been posted here yet

\*\*A record reflects the most definitive information available at this time. Again, this is an ongoing project. Some records may change as research will continue.

Madill has a long and rich history of sports achievements. Thanks to Madill coaches for help in this ongoing project

If you know of an MHS sports record or what you might think might be, please email [bjacks@madillok.com](mailto:bjacks@madillok.com)
