Purple-Out Special Edition 10.17.2011

Principally Purple

Mrs. Cindy Dodds was stuck to the Wildcat Fieldhouse wall during a pep rally last Friday for the purple-out against domestic abuse.

Students purchased pieces of purple duct tape to apply to the principal on the wall.

Dodds encouraged all faculty and students to wear purple.

Goff's Class Does Grape Job on Door

Mrs. Kelly Goff's fourth hour class decorated its door the best as voted on by a panel of judges for the high school.

The door decoration was judged in categories of originality, neatness, use of a slogan and the use of purple.

The theme was a purple-out against domestic abuse.

Mrs. Bray's class finished second and Ms. Hallmark's was third place.

Purple Compassion

Madill High School raised nearly \$1000 during its purple-out to benefit the Marshall County Family Support Services. The check was presented at halftime of the football game. Madill beat Sulphur 36-20.
